

DIESEL TRAILERS

THE FIRST CHOICE IN MOBILE DIESEL REFUELLING

Our diesel trailer range continues to be the first choice across industry for diesel fuel transport.

Built to ADR standards, the DieselCadet is designed to handle all kinds of conditions with our traditional, tough, hard wearing frame, all terrain tyres, hard working Italian made pumps & specially formulated double certified diesel grade tank. Also available with AS1940 compliant bunding for environmental protection.

THE DIESELCADET TRAILER

BRING THE FUEL TO YOUR EQUIPMENT

ON-ROAD AND ON-FARM MODELS AVAILABLE

1000L TRAILER WITH 45L/M FLUID PUMP - LIGHTS AND BRAKES
CODE: DSRQ1000LF045V1

SINGLE AXLE DIESELPATROL TRAILERS

HUGE RANGE OF FIT-OUT OPTIONS

FEATURES

- » Built to high level ADR requirements
- » "Tough Enough" heavy duty steel chassis featuring hot-dip galvanising for maximum protection for tough, long term durable performance
- » Large 15" wheels with the famous Landcruiser hub pattern for strength, maximum ground clearance and excellent manoeuvrability (800L - 3000L)
- » Specially strengthened steel mudguards with rolled edge for maximum wheel protection
- » Greatly improved puncture resistance with our 6 ply radial tyres, which also helps heavy load capability
